

# LADIES OF FAITH NEWSLETTER

June 2009 | Volume 3, Issue 1

## June 2009

A big 'thank you' to Mary for having the June LoF meeting in her home... which became quite the symphony with the question of the night.

June is proving to be a very full month... beginning with the **revival**. The meetings were a genuine blessing. Whether it be the Word, Worship, or Afterglow, hearts were refreshed and revived... and new friends were made. Praise the Lord!

Thank you, again, to those that worked so very hard and willingly at the church to make it a clean and lovely 'tabernacle' to hold our services in. Also, to you who opened early and closed late... thank you.

And, thank you, ladies, for sharing in the nursery ministry. There was a safe and playful place for our **Children of Faith** and guests. The kids are, also, learning who we all are. ☺

And the **Sunday morning nursery**... Thank you again. The Nursery List is pretty much full for the next three months. Was that Irene dancing in the corridor?? ☺

### Other ministry needs –

The **food pantry** has been a blessing to a few in our community that needed to receive and, Praise the Lord, it needs to be replenished!! Pull out those lists of food suggestions Mary made and 'bring them in'... (The food, not the lists). ☺

After some discussion, it was agreed, the clothes remaining in the **clothes closet** will be taken to the Watson Fire Dept for distribution. This entity already has a known and efficient ministry to the community. We will continue to support their efforts and direct those with a specific need for suitable clothes to the Watson Fire Department.

### Other activities for the month –

Faith Baptist **June Sunday Fellowship** lands on Father's Day. Can anyone say peach cobbler or banana pudding?? ☺

Hmmm... what can we do to show those fellows how special they are?? We came up with a few ideas.

We can't tell you in the newsletter. This may fall into the hands of a Faith member of the male persuasion. They'll just have to wait and see what June 21st may bring.

Instead of the usual ladies' **third Thursday brunch**, there will be a time of fellowship at the church on Wednesday, the 17<sup>th</sup>, at 9:30 a.m. to clean out

some of the craft/ storage boxes/ closets. After our tidying up, we'll relax with a salad (bring a favorite) brunch/lunch and might even have a little good humor to go along with the good food. ☺
